Minnesota No. 4 Raspberry

Originated by the Minn.
Fruit Breeding Station.
The very **BEST LATE**

Raspberry we have ever grown. Extra large,
firm; hardy and thrifty. Be sure and try them.

June

This new **EXTRA EARLY** Red
Raspberry came

from the N. Y. Experiment
Station, and is absolutely
the best early berry. Very
thrifty smooth canes, hardy;
an extra large, firm berry.

**You Make No Mistake
In Planting These**

75c per 10; \$1.50 per 25; \$5.00 per 100 Postpaid
